ROTARY IN RETREAT

This week the Southern Districts Rotary Club did something different – they attended a Buddhist temple service and were invited to join the local community in an evening meal

PP Ray organised the visit and in the proceeding weeks informed the club of some of the Buddhist's customs and practices – explaining that Buddhism was not a religion but a way of life

The 4 way test fits nicely into the Buddhist creed

Forty members, and partners, attended the evening and meal, and in keeping with Buddhist custom - removed there shoes prior to entering the Temple. The meal was also partaken sans shoes

A number of first occurred in during the evening as it has been a fair while since Most of these Rotarian's had

- Spent three hours at a social function – with out shoes
- Managed to get down to the floor – and then get up again
- Achieved the lotus position for meditation
- And considerably longer since they have had a vegetarian meal

Some members did get slack and “acquired” a wall to lean against
