John S and Ann Glasson on Ken

Wonder Woman was more likely to be

Wonder why I married you

Wonder where she is

Wonder what she's buying now

Guest Speaker Dr Zahra Abbas

Spoke to us on her research with Duchenne Muscular Dystrophy

And those with this have a short life expectancy

And reducing muscle damage was the best treatment

However long-time therapy with treating muscle damage has many side effects

Taurine which is naturally produced by the body and also found,
in meat and fish are the best avenues for treatment

Dr Zahra talk provoked many questions from members

Host Grant Buxton thanked Dr Zahra and presented her with a club pen
