Membership - small subcommittee Anita Diep and Taonga Chintu - we have another two ladies interested from last year, so I am staying in touch with them. No point getting them here for the next two weeks as we have committee meetings then board meeting. We are working towards an anonymous online survey of members re their thoughts about the club.

PR and Social - Web site totally created and maintained by Ric McDonald who has done a fabulous job. There are several members who can post to our Facebook page, unfortunately only half of you can see this as you are not on Facebook. hence, we still need to maintain the blog page. Markets Page 365 likes - Club Page 375 Likes - On the Podium - 95

Speaker program and Bulletin - Phil Cordery continues to do a fabulous job with the speaker program, we have some sensational speakers coming to the club. We have the District Governor Robyn Yates visiting us in a few weeks and the Consul General of Italy in a couple of weeks. Phil has also volunteered to provide a bulletin which is available on the web site and is being mailed to all members.
