Rotary Club of Southern Districts

Published by John Stockbridge

I was honoured today as a member of the Board of Management of Cyrenian House to attend the official opening of the "John Simpson Community Hub" which is a new building at the Rick Hammersley Centre.

The centre is part of Cyrenian House's Drug and Alcohol rehab operations.

The community hub provides state of the art kitchens, training and meeting rooms for the clients of the centre. It is a fabulous addition to the complex and is well named in honour of our past President John Simpson.

Nola, Clairly and Cheralyn Simpson were there to participate in the opening ceremony.

Older members will remember that Southern Districts contributed \$30k to help found the Serenna Child care Centre, which now looks after 70 children. The fact that it is located in the grounds of a rehab centre does not dissuade the local community from lining up to get their children looked after there.

Nancy Kilkenny

Raffles won by

Willy Bunch of Bananas

Peter Douglas [Armadale Rotary] Bottle of Wine

Some of the fines

Andy left bags in the car

Colin Hats one size fits all
