Constitution and Club By -Laws Ric McDonald Club Service

Constitution

The RI Constitution was accepted with a majority show of hands of members present

Club By- Laws

One written amendment to the Club By-Laws was put forward by John Stockbridge

By-law 19-Meeting frequency of any satellite club

Meeting frequency of any satellite club established by the Rotary Club of Southern Districts
Shall be determined by that satellite club provided it fits within the guidelines of Rotary International
Ric Put the motion to the club and was duly accepted by Jodie Sparks and seconded by Julie Ninnis
And passed by a majority show of hands

Several other minor adjustments to the by-laws were raised
After some discussions it was agreed
That these amendments be put in writing and circulated to all members
And voted on at the club meeting of April 9

Club Planning Meetings John Stockbridge

What started out as a chance for all incoming Directors to put forward their plans for 2019 /2020

Was hard as several directors for the coming year not in attendance

Michelle Kerr as incoming International Director gave a brief background of what's ahead

Several members put forward proposed project for the club to get involved with

With Due respect

the rest of the meeting was more like a club forum

with many members making statements

The girls enjoying the Conference
