

2019/2020

Notes from the meeting March 24, 2020

We had 8 members and one guest at our first online meeting tonight Ric, John S, Nancy, Julie, Murray, Lloyd, Patrick, Michelle and Guest Kero O'Shea, we all had a great time and would like to see if we can double numbers next Tuesday night.

Points discussed

1 What's App to be split into 2 separate groups , anyone can be a member of both, the current one will stay as the informal one for general chit chat and the other for formal Rotary Business , boring but essential to maintain sanity and communication during this period.

2 Tuesday night Rotary Club of Southern districts online meetings to continue 7 pm each Tuesday most meetings will not last 1 hour, so please set aside the time to have a go.

3 Apologies, although there is no meeting cost it would be great to know who was planning to be there and who is not so please use the normal apology system

3 Guest Speakers will be booked for the online meetings

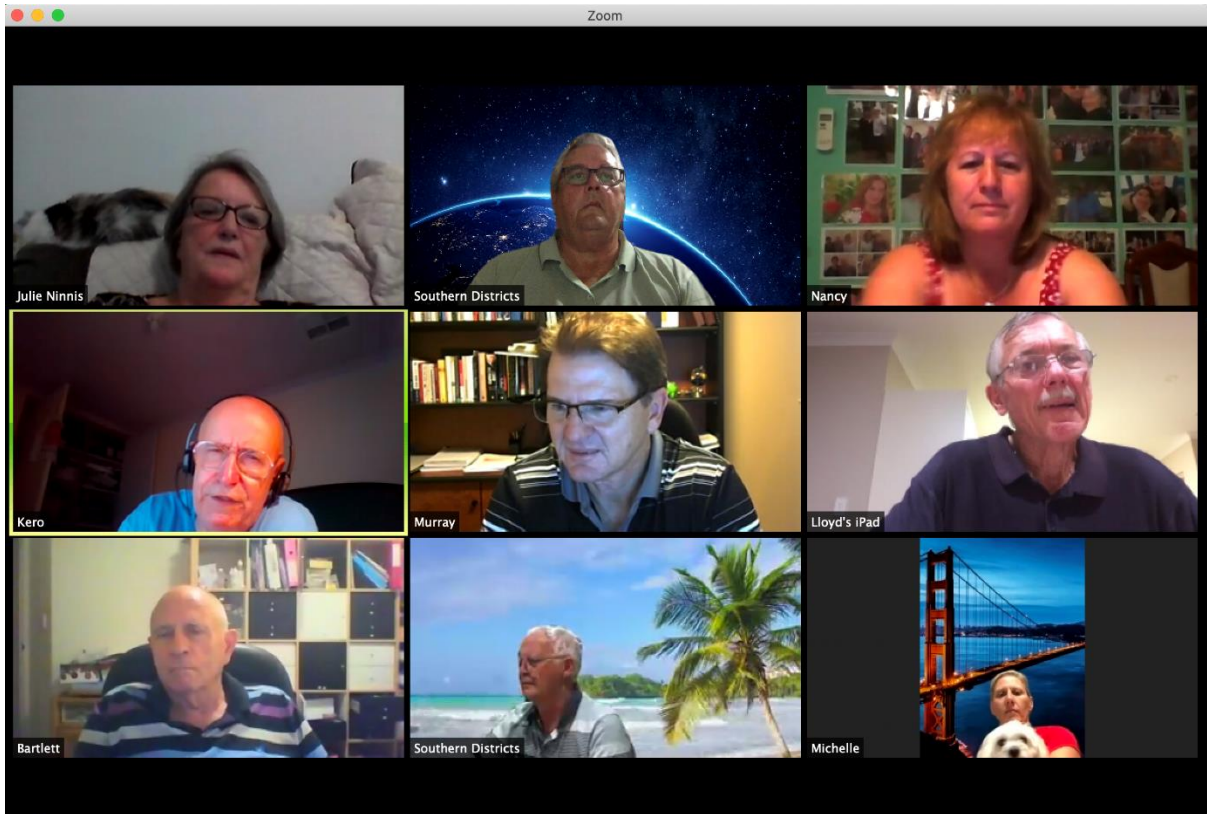

4 and agenda will be drafted to maintain some semblance of order.

5 we will purchase a licence so improve on the limitations of the free meeting room

6 Fines session , as the club account will not be being topped up in any way we voted unanimously to hold a fine session with the fines being tallied up during the session and an invoice raised via square, because we will all be saving heaps of money no \$30 meal , no bar tab we felt it appropriate to make the fined \$5.00 a time(some of us are paying that now)

7 members who attended will offer to assist those others who may need some help setting up the system, it is not complex and will only take a few minutes to introduce you to the concept.

8 Not discussed but could be considered next meeting a raffle could still be held with the prize being a \$5.00 fines credit

Our website now has a direct link to the Tuesday night zoom meetings on every page,

Due to the Covid-19 virus The Rotary Club of Southern Districts have taken this step to help flatten the curve.

A photograph of two young children playing in a stream. The child on the left is holding a large, green leaf over their head as an umbrella. Both children are smiling and appear to be enjoying the water. The background is a lush, green forest with a stream flowing through it.

Trusting God's Patience

Consciously or unconsciously, every one of us does render some service or other. If we cultivate the habit of doing this service deliberately, our desire for service will steadily grow stronger, and will make, not only our own happiness, but that of the world at large.
