Agenda Items

1. Should we charge for zoom meetings and how much--- Consensus NO CHARGE, as there are no direct costs coming out of the club account at this point in time.
2. Fine session, should we have one and how much --- Consensus NO we do not need to.
 - a. When we resume our normal club meetings, we will visit the budget and make any decision necessary to continue in a strong financial state
3. Thoughts and Ideas on how best we as a Rotary club can help those affected by this crisis, keep an open mind but consensus was that real needs will become apparent as we recover from this

4. In the meantime there may be opportunities to give a bit back by just being there for someone, watch this space it could only mean a bit of time, there are people out in our community who need a friend to say hi
5. It was great to see 15 attending but to get more to attend to meetings, we decided to allocate 2 members per member attending to be contacted and assisted to join, noting that a link is on every page on our website with a click here to join the meeting. If someone wants extra help contact Ric 0429 080 444 and I will walk you through the process.
