Gordon learning languages

STEP

Short-term
Exchange
Program

Hannah Horsley

Hannah thanked the club for sponsoring her on the trip of a lifetime

She was in Iola Kansas with a population of about 5000

She was staying with her host brother Jack on a cattle farm

School was much different than here

The school was three floors which included everything including the gym

The students were extremely friendly and took delight in her accent

She played and watched a lot of sport including Basketball and softball

Sport is a big part of school life

Whilst in Iola enjoyed walking many trails

The family normally ate out twice a week

Many fast food outlets in the town

Her favourite was Taco Bell but enjoyed trying others

Attended the Iola Rotary club twice

Like most American rotary clubs, the meetings, were at lunchtime

Highlights were going to her first Walmart mall

Learning about gridiron football

And making many friends, not only in Iola but nearby towns

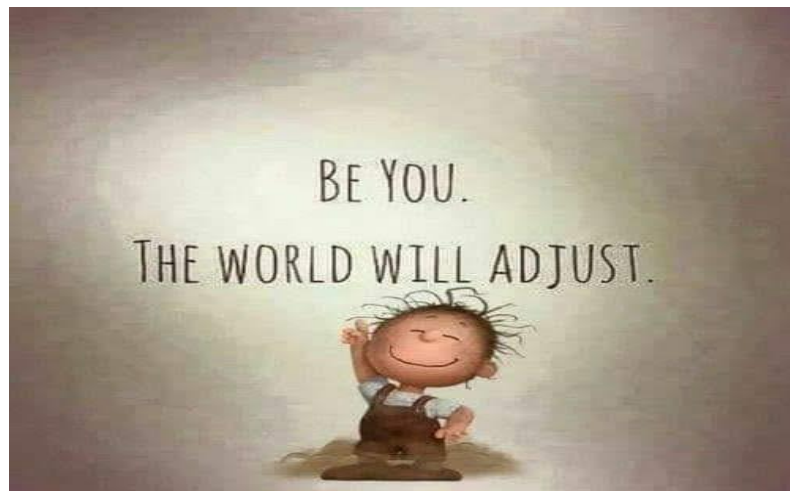

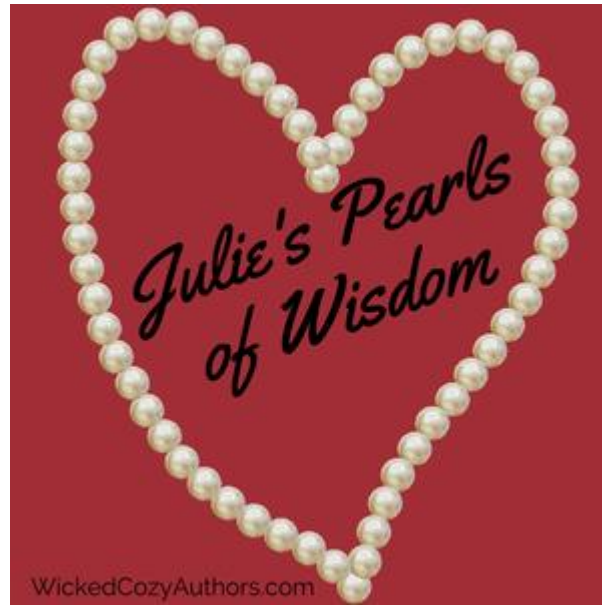

Hannah presents President elect Julie with the Lola Rotary Club banner

Phil and Hannah with her certificate of Achievement

Rotary Club of Southern Districts Membership
