Christmas Spirit

It was just before Christmas and the magistrate was in a happy mood. He asked the prisoner who was in the dock, 'What are you charged with?' The prisoner replied, 'Doing my Christmas shopping too early.' 'That's no crime', said the magistrate. 'Just how early were you doing this shopping?'

'Before the shop opened your Honour', answered the prisoner.

Dear Santa,
That's not what I had in mind when
I asked you for a bottle of the most
popular alcohol of 2020
