The Rotary Club of Mill Point and E-WA club are doing some tree planting

On the Canning River on Saturday Morning July 24

Phil made some enquiries to see if we can get involved

This would be a great way to meet other Rotarians and enjoy some fellowship

Details from Alan Briggs E-WA club

Many thanks for your interest in tree planting.

There are 2 plantings coming up.

3rd July which we hope will go ahead.

It is a wet site so need wellies! Parking preferred on east side.

24th July will be better and more open.

Rick has offered Mill Point RC as caterers for a morning tea
and sausage sizzle lunch after the planting.

I will have a small donation box to receive gold coins (and notes)

for tree mission, or TRF,

whichever gets favor 😊

SERCUL have previously advised:

Volunteers are advised to bring:

- Garden gloves
- Enclosed shoes
- Long sleeve clothing
 - Sun hat
 - Water bottle

SERCUL will provide the plants and the following:

- BBQ machine
- back up hot water container
 - Table
 - Trowels

So let me know which event, I think you indicated the 24th,
and how many are likely to attend and come along

and have a great time.
 It is very social 😊
 Cheers
 Alan
