You measure my life in hours, and I serve you by expiring.

I'm quick when I'm thin and slow when I'm fat.

The wind is my enemy.

An Irishman goes to the Doctor with botty problems:

"Dactor, it's me ahrse.

I'd loik ya at take a look, if ya woot."

So, the doctor gets him to drop his pants and takes a look.

"Incredible." He says. "There is a £20 note lodged up here."

Tentatively he eases the twenty out of the man's bottom and then a £10 pound note appears.

"This is amazing." Exclaims the Doctor.

"What do you want me to do?"

"Well fur gadness sake teyhk it out, man!"

Shrieks the patient.

The doctor pulls out the tenner and another twenty appears,
and another and another and another, etc....

.Finally the last note comes out and no more appear.

"Ah Dactor, tank ya koindly, dat's moch batter.

Just out of interest, how moch was in dare den?"

The Doctor counts the pile of cash and says.

"£1,990 exactly."

"Ah, dat'd be roit." Says the Irishman.

"I knew I wasn't feeling two grand." 🤣🤣🤣🤣
