President's News

This week President Phil was in attendance at **Thornlie Senior High School's Arts and Technologies Exhibition and Awards**, to present the Drawing Award. Unfortunately the winner, Mikhail Oposa, was unable to attend but here is the winning portrait, *James Dreaming*.

Phil is pictured here with Dr Kim Le, Art Director and Exhibition Manager; Michelle Manolas, P&C President; City of Gosnells Mayor, Terresa Lynes; and MLA for Thornlie, Chris Tallentire.

A reminder: Thornlie Senior High School has extended an open invitation to Rotary members to attend their **50th Anniversary Community Festival** on Sunday 7th November 10am - 3pm and bring the family along. The Art Exhibition will be open for viewing during the entire Community Festival event. They have been widely advertising the Festival through the local paper and on local suburban Community Social Media groups. It will be a great day for young and old alike with plenty of entertainment all day from past and present students performing musical and dance acts plus food vans, bouncy castles, petting zoo and memorabilia from the school and the Thornlie suburb from the 1970s to the current day.

In a very busy week, Phil also went to collect four trolleys of donated goods from store customers at **Maddington Centro** for **Foodbank**.

This Week's Meeting Highlights

This week we abandoned the Golf Club in favour of a fabulous Vocational visit to **Minuteman Press Canning Vale** where we got a chance to see the impressive printing and finishing equipment in operation and view an amazing range of printing options on offer. Owner, Sandy Cream, and her team really can look after every printing, signage and promotional requirement you can imagine.

After the visit we went to the Market City Tavern for a meal.

Thanks go to Sandy for hosting us and John Stockbridge for organising a very successful outing.

This Week's Brain-Teaser:

If you are riding a horse in the Melbourne Cup Race and pass the horse that's in second place, what place are you in now?

Melbourne Cup in Lock-Down

A guy is walking through the country when he spots a sign that reads, "Talking Horse for Sale." Intrigued, he walks up to the stable to check it out.

"So what have you done with your life?" he asks the horse.

"I've led a full life," the horse answers miraculously. "I was born in The Andes where I herded for an entire village. Years later, I joined the mounted police force in New York and helped keep the city clean. And now, I spend my days giving free rides to underprivileged kids here in the country."

The guy is flabbergasted. He asks the horse's owner, "Why on earth would you want to get rid of such an incredible animal?"

The owner says, "Because he's a liar! He never did any of that!"
