Report from President Phil

Welcome back Gordon Smith.

A big thank you to all who helped make last week's Shine On Awards night a big success. From those on Attendance – Naomi, Susan and Andy, and Property – Grant and Carlton; to John for his work on the computer; the members of the Vocational Committee who welcomed the

awardees, sat on their tables and interacted with them; to Auctioneer John Rechichi and his helper Murray; Raffle organisers Michelle Gibson and Michelle Kerr and those members who supplied Raffle Prizes; and our photographer on the night Craig. The awardees all acquitted themselves superbly and their nominators were excellent, and Chris Tallentire was a great help with the presentations.

I had a most enjoyable day on Wednesday helping out at Foodbank and have scheduled three more different days for helping out.

Club Changeover is scheduled for Tuesday June 28.

On May 10, President Elect Patrick Bartlett will preside over the meeting as I will be attending the Rotary Club of Armadale for a ROMAC presentation.

Meeting Highlights

With reduced numbers due to the Easter/ANZAC holiday break and a Board Meeting to follow, tonight's meeting was brief.

In **Today's Trivia**, Michelle Kerr knew that three strikes in a row at ten pin bowling is called a Turkey. In **Know your WA**, Craig correctly identified the suburb of Applecross, and Michelle demonstrated her superior knowledge of Perth's top hotel swimming pools.

Newsletter Puzzle Prize winners for last week and this week were Stephen Anthony, Andy Hopper and Naomi Green.

In **Chase the Joker**, the lucky raffle number was Ric McDonald who drew the ten of hearts. The Jackpot has now reached \$191.

In **Heads and Tails**, Phil was tonight's "tossler", and John Stockbridge won the chockies, making him next week's "tossler"

Tomorrow's Plans for Southern Districts Rotary from Rob Pannell

Why did you join Rotary?

Chances are, given the Australian and international feedback, you were enticed to help our community.

On Tuesday 3rd May,
Patrick and I will be running a forum on

"Southern Districts Tomorrow"

– when we will seek input for new projects
or new improvements to existing club projects.

The objective is to identify projects that not only help others
but also have a wide rapport with the public, generate excitement within the club,
plus provide enthusiastic feedback to the club.

We will be seeking your input.

So please give some undivided attention to potential PROJECTS ideas.
