Brightwater Huntington's Campus

On a sunny Tuesday morning, April 4, four of us attended the Sod Turning Ceremony marking the beginning of construction of the new Brightwater Huntington's facility in Piarra Waters. The atmosphere was buoyant as future residents, their families and friends, Brightwater staff and management, building and design team members, project supporters, and a host of local dignitaries witnessed the commencement of the exciting project that Southern Districts Rotary is so proud to be a part of. Our Club's donation of \$50 000 represents a small – but significant – contribution to making this hugely ambitious dream a reality.

Next Tuesday night, we will be hosting around 27 extra guests at our annual
Shine On Awards Night at GGC

Please arrive early, if you can, to help with setting up the media wall and to assist Ritchell with her equipment.

This is a Partner's Night; if your partner is attending, please let Phil know ASAP.

We have six awardees. We will be joined by MLA for Thornlie Chris Tallentire and both District Governors. Ritchell Lim will provide musical entertainment.

Meeting Highlights

This week, just to shake things up a bit, we exchanged our regular Golf Club dinner for a jaunt across the River. After meeting-up at the Mends St Jetty in South Perth, round 6.30pm, we took the ferry to Elizabeth Quay for drinks and a meal at the Doubletree Hotel's Rooftop Bar. Great views and great company!
